

History is
interesting

History prepares us
for the real world.

History helps us to be
proud of our nation's
achievements.

History teaches important
skills like reading, writing,
and analyzing.

People naturally want
to learn about the
past.

History teaches us about
the role of the divine (Gods
and spirits) in the world.

History can promote
tolerance and multicultural
awareness.

History helps to train our
minds to think and
organize our views.

History allows us to
predict the future

History teaches ideas
everyone should know like -
causes, imperialism, revolution
etc.

History teaches right from
wrong because it shows good
triumphing over evil.

History gives us a sense of
respect for authority and
the rule of the law.

History is vital because it
is the memory of a group
of people.

It encourages democracy
because it requires us to
be critical of evidence.
